## Profile

---

Frontend Developer with around 2 years of experience building modern, high-performance web applications.

Specialized in React, Next.js, and TypeScript, with hands-on experience integrating Web3 and blockchain technologies into user-facing products.

Proactive and communicative, with strong ownership of features, close collaboration with backend and blockchain teams, and a focus on scalable, maintainable solutions that improve UX and business workflows.

## Experience

---

**Frontend & Web3 Developer**, CryptoSpace – Remote June 2024 – present

- Developed scalable and reusable frontend components using React and TypeScript.
- Integrated Web3 libraries, wallets, and smart contract interactions into user-facing applications.
- Connected frontend interfaces with blockchain APIs and backend services.
- Collaborated closely with backend and blockchain teams to ensure secure and efficient data flow.
- Implemented global state management and feature flag systems to optimize performance and UX.
- Reduced unnecessary API calls through optimized state usage and performance tuning.

**Full Stack Developer**, Virtual Tech – Remote Jan 2024 – May 2024

- Built modular and high-performance frontend components using React.
- Developed mobile and web applications using FlutterFlow.
- Integrated frontend logic with backend services and REST APIs.
- Worked in agile teams alongside designers and backend developers.
- Delivered MVPs and improved UX based on real user feedback.
- Ensured pixel-perfect UI and cross-platform consistency.

## Skills

---

**Frontend:** React, Next.js, TypeScript, JavaScript, Responsive & Mobile-First Design

**Web3:** Wallet Integration, Smart Contract Interaction, Blockchain APIs

**State Management:** Redux, Zustand, Context API

**Backend & APIs:** REST, GraphQL, API Integration

**Testing:** Jest

**Tooling:** Git, GitHub, Figma

**Engineering Practices:** Performance Optimization, Clean Code, Design Systems, UX-Oriented Development

## Languages

---

**Spanish:** Native

**English:** B2 (certified)

**Portuguese:** Intermediate
